## BCT YOUTH SPOTLIGHT STUDENTS 2022

### **Moroni Bennett – Worker 2 “Explainy”**

Moroni will be an 8th grade student at Blaine Middle School for the upcoming school year. This is his first time acting in a theater production after his newfound interest in live theater. Moroni loves Godzilla, his dog (Dr. Jones), and all things cryptids.

### **Vohn Cheatham – Bo**

Vohn is a student at Blaine Middle School. They are 11 and have been in productions of “Treasure Island” and “Snow White” at BAAY in Bellingham.

### **Resa Hrutfiord – Worker 4 “Twirly”**

Resa came into this play by trying to find an activity to do during the summer. You may also have seen her in BCT’s “The Pirates of Penzance Water Balloon Show”.

### **Enzo Landreth – Michael**

Enzo is a 15-year-old who has done theatre since he was in the first grade. Some shows you may have seen them in are “Winnie the Pooh”, “Ananzi”, “Peter Pan”, “The Jungle Book”, and BCT’s “Romeo & Juliet Water Balloon Show”. Some things he likes to do are skating, cosplay, and acting.

### **Lucy Mauger – Light & Sound Operation**

Lucy is just happy to work behind the scenes in her little corner wondering if the sounds and lights will be on time. In Elementary school, she played in the Missoula Children’s Theater’s adaptation of “Snow White and the Seven Dwarves”. She is an 8th grader at BMS. When she’s not in school Lucy enjoys reading and writing, and as a typical teenager, sleeping and eating.

### **Donovan McDonald – Worker 1 “Mouthy”**

Donovan likes to do nothing but play video games 24/7—uh, that is, he... is a great person, who was born in Bellingham on 6/7/08. He has devoted his life to...uh...school work...and...supporting the people he loves. What? What do you mean that’s a lie?
